My dear friend

James Sweetser Mott & myself
have received the circular about the proposed
Sabbath Convention. We will be glad to give
our names to the document.

It seems to me that the Sabbath is the
strong hold of the Priests of our Country
you can enlighten the people about the
day we can shake this craft from
their necks.

in great haste
If you need money
to keep this important question along
you can draw on me for \$5,000 at
right. Make it \$6,000 I devote \$10. to paying
for the Liberator for which I am responsible.
Name. David Wilson, Richmond Indiana

Robt Haydock } New York City & me.

Willie Gittins } Copy to myself. for all.

With increasing interest in the
momentous question before us I am as ever, very truly
Eudora's

I don't know what I owe for the Liberator, but
seeing the call on the subscribers, & fearing I
may be among the delinquents, I enclose \$5.⁰⁰
for the Liberator & \$10.⁰⁰ for thy dear self, just to
let thee know thou art not entirely forgotten
by us, (my wife & self) — Our names may
be used to the call for a convention, & we
should like to attend it, but of this we have
no present expectation —

Sincerely
D. Mott
